***Banjo Attitudes* (L'Harmattan, 2015) et *A Five-String Banjo Sourcebook : Second Edition* (L'Harmattan, 2024) sont des textes non illustrés.** Pour cette raison, il a été décidé de rassembler dans une annexe un ensemble d'images et de photographies : couvertures de livres, pochettes de disques, portraits d'artistes... Ce présent ouvrage sera régulièrement mis à jour sur la version virtuelle postée sur mon site internet :

<https://www.desmaele5str.be/iconography>
<https://www.desmaele5str.be/banjoAttitudes>

Ces illustrations seront le modeste compagnon de « Picturing the Banjo », la superbe exposition présentée à la Corcoran Gallery of Art de Washington DC en 2005.

Pour en révéler tout leur sens, *Banjo Attitudes* et *A Five-String Banjo Sourcebook: Second edition* devraient être portés par des exemples sonores. ***An American Five String History*** (Frémeaux & Associés, 2008), et ***Modern Times***, une sélection d'enregistrements datés du début du *folk revival* à nos jours (voir *Banjo Attitudes*, pp. 187-202), constituent dans leur ensemble une ébauche d'anthologie du banjo à cinq cordes, et assurément un solide point de départ pour une recherche plus approfondie.

<https://www.desmaele5str.be/modernTimes>

Porteurs de messages informels, d'impressions et d'informations diverses, les documents audiovisuels ont aussi une grande importance. *A Banjo Frolic* (Caboose Productions, 2003 ; Frémeaux & Associés, 2010), illustre lui aussi ce propos.

<https://www.desmaele5str.be/publications>

GDS

www.desmaele5str.be

Banjo Attitudes and *A Five-String Banjo Sourcebook* are two unillustrated texts. For this reason, we have decided to include a collection of images and photographs in a separated appendix: book covers, record sleeves, artist portraits, etc. We will also take the opportunity offered by this virtual publication to update the documentation presented in these books. These illustrations will also be a modest complement to accompany the catalog of 'Picturing the Banjo': the superb exhibition presented at the Corcoran Gallery of Art in Washington DC in 2005.

To reveal their full meaning, *Banjo Attitudes* and *A Five-String Banjo Sourcebook* should be supported by audio examples. *An American Five String History: 1901-1956* (Frémeaux & Associés, 2008), and *Modern Times: 1958-2008*, a selection of recordings dating from the beginning of the folk revival to the present days (see *Banjo Attitudes*, pp. 187-202). Together they constitute a draft anthology of the five-string banjo, and certainly a solid starting point for further research. Audiovisual documents are also of great importance as carriers of informal messages, impressions and informations. The documentary film *A Banjo Frolic* (Caboose Productions, 2003; Frémeaux & Associés, 2010), also illustrates this point.

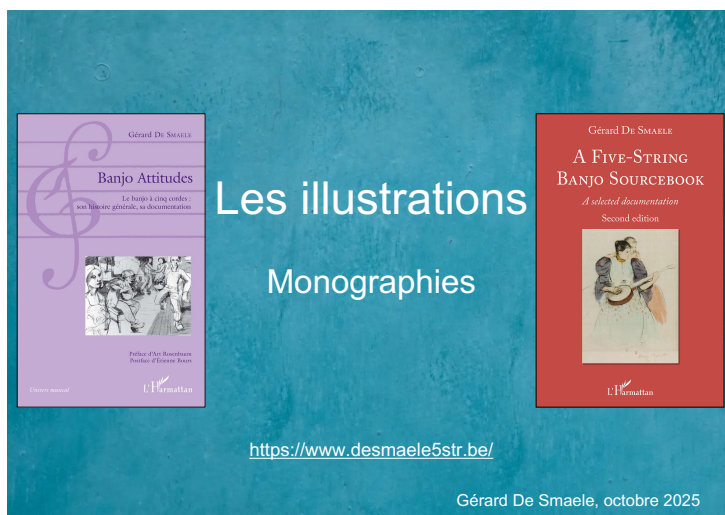

COMMENTS ;

- [Tony Thomas](#)

People do not pay enough thanks to you and others like you who produce knowledge, not just your own thinking, or theories, but try to bring people in contact with the real information that the people who created the banjo from the beginning and crucially the players of the late 19th and early 20th century both folk, but especially show business, and parlor, made. This heritage and knowledge is of fundamental importance to real understanding of the banjo or of the times and cultures it has lived through. From my own experience, I sometimes think this is a thankless task confronted with the tendency for misinformation to prevail, but at least I hope I and many others can join in thanking Gerard for all the hard painstaking work it has been to share so much with the world. People should Google Gerard and Archive dot com to see how much he has produced and freely provided. Thanks for your friendship and your inspiring work.

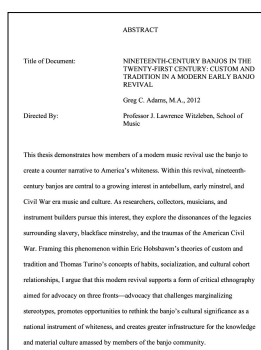

Facebook

October 12, 2023

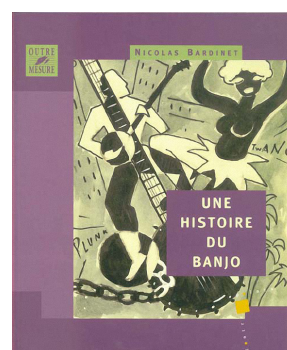

Voici une série de monographies touchant à différents aspects du banjo. Elles traitent non seulement de son histoire mais aussi de sa fabrication. Les historiens, les musicologues et les ethnomusicologues, nous offrent l'éclairage indispensable à une approche juste de l'instrument. Nous sommes gratifiés de quelques publications universitaires, tandis que les dates d'édition témoignent d'un intérêt renforcé pour l'étude du banjo dans la période du *post folk revival*.

Ces monographies sont – à côté des biographies, des périodiques, de la littérature musicale et des ouvrages généraux – les clés de la compréhension de la substance de l'instrument. *Banjo Attitudes* et *A Five-String Banjo Sourcebook* compléteront cette liste par de nombreux articles faisant date dans le domaine du banjo à cinq cordes.

Banjo Attitudes et *A Five-String Banjo Sourcebook* développent ce thème dans plus de détails, et citent bien d'autres catalogues. De la profusion des fabricants anciens qui ont été répertoriés entre le milieu du 19^e siècle et la seconde guerre mondiale, certains modèles se sont démarqués. De la bataille commerciale à laquelle les grandes marques se sont livrées, on ne retiendra que quelques grands noms ; tout en sachant que cette sélection reste tributaire du contexte dans lequel l'instrument sera employé – musique de jazz ou *folk music* –, ou des styles pratiqués : *classique*, *old time*, *bluegrass*...

Ce qui demeure particulièrement intéressant à mentionner, c'est l'émergence, suite au folk revival, de divers fac-similés. Ils confirment l'importance accordée à certains fabricants par les musiciens contemporains.

De nombreuses autres références de catalogues anciens – dont la copie a été déposée au MiM –, sont répertoriées dans le dossier ci-dessous :

<https://www.desmaele5str.be/pdf/archives/CoverCatalogues.pdf>

Par ailleurs, des originaux de catalogues plus récents ont aussi été déposés au MiM :

<https://www.desmaele5str.be/pdf/archives/FiveStringBanjo.pdf>

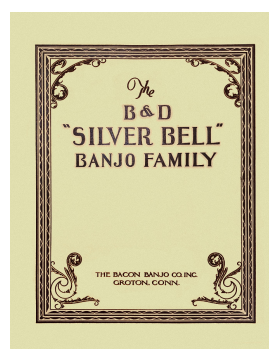

ACME — 1902

S.S. Stewart banjos made for Sears, Roebuck & Co.
Catalog # 112, ca. 1902.

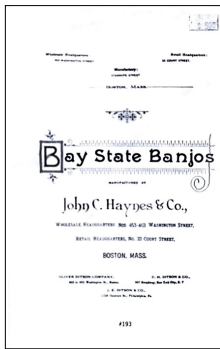

BACON

Gérard De Smaele, décembre 2025

Nous vous présentons ci-dessous un choix d'ouvrages incontournables, sélectionnés parmi ceux cités dans *Banjo Attitudes* et *A Five-String Banjo Sourcebook*. Ils sont importants pour situer notre sujet dans son contexte, non seulement musical, mais aussi historique, culturel et social.

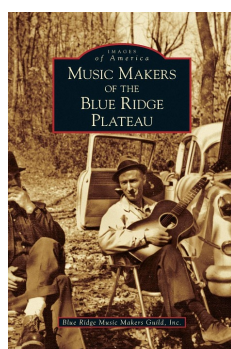

ARTIS Bob,

Bluegrass. From the Lonesome Wail of a Mountain Love Song to the Hammering Drive of the Scruggs-style Banjo: The Story of an American Musical Tradition.
New York, NY, Hawthorn Books, 1975, 182 p.

Blue Ridge Folk Instruments and Their Makers

Blue Ridge Institute & Museum, 1992, 64 p.
[catalogue d'exposition].

Blue Ridge Music Makers Guild

Music Makers of the Blue Ridge Plateau.
Charleston, SC, Arcadia Publishing, 2008, 128 p.

BOURS Étienne

Le sens du son. Paris, Fayard, 2007, 473 p.

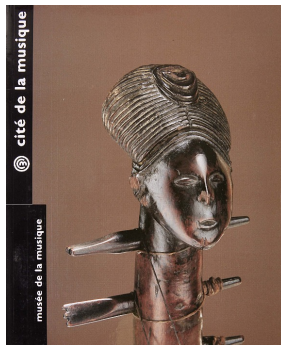

BREMOND Jacques, HERZHAFT Gérard

Guide de la Country Music et du Folk,
Paris, Fayard, 1999, 592 p.

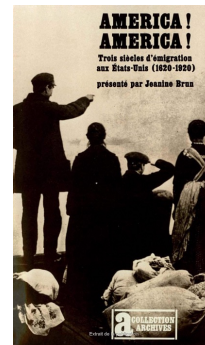

BROCKEN Michael

The British Folk Revival, 1944-2002,
Aldershot / Burlington, VT, Ashgate Publishing Company, 2003.

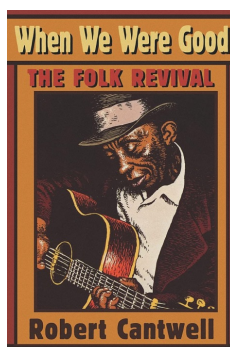

BRUGUIÈRE Philippe, GROOTAERS Jan-Lodewijk

Song of the River: Harps of Central Africa,
Paris, Cité de la Musique, 1999, 403 p.

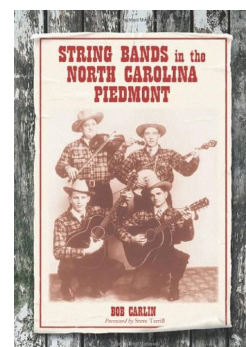

BRUN Jeanine

America ! America ! : Trois siècles d'immigration aux États-Unis, 1620-1920,
Paris, Gallimard-Julliard, 1980.

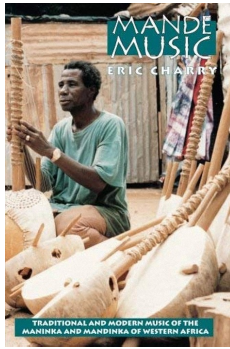

CANTWELL Robert

When We Where Good: The Folk Revival,
Cambridge, MA, London, Harvard University Press, 1996, 412 p.

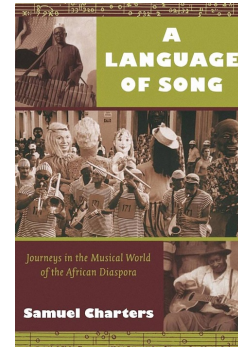

CARLIN Bob

String Bands in the North Carolina Piedmont,
Jefferson, NC, McFarland & Co., 2004, 312 p.

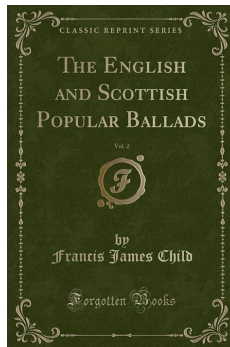

CHARRY Eric

Mande Music: Traditional and Modern Music of the Maninka and Mandinka of Western Africa,
Chicago, IL, University of Chicago Press, 2000, 500 p.

CHARTERS Samuel

A Language of Song: Journeys in the Musical World of the African Diaspora,
Durham, NC, Duke University Press Books, 2009, 368 p.

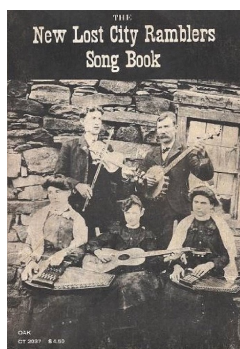

CHILD Francis James

The English and Scottish Popular Ballads, 5 vol.,
New York, NY, 1957 (Boston, MA, Houghton Muffin Press, 1883-1898).

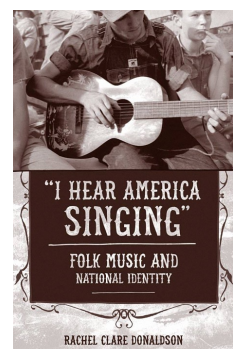

COHEN John

There is No Eye: John Cohen Photographs,
New York, NY, Powerhouse Books, 2001, 199 p. [accompagné d'un CD chez Smithsonian/Folkways].

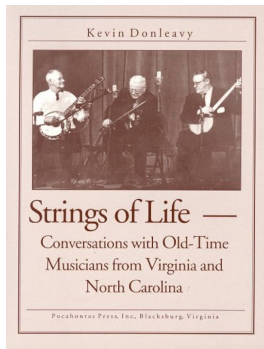

COHEN John, SEEGER Mike

The New Lost City Ramblers Song Book,
New York, NY, Oak Publications, 1964, 256 p.

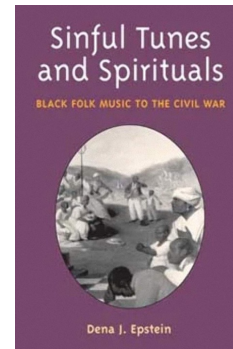

DONALDSON Rachel Clare

"I hear America Singing": Folk Music and National Identity,
Philadelphia, PA, Temple University Press, 2014, xi-225 p.

Pour éviter de nous perdre dans le dédale des enregistrements, nous nous limiterons principalement aux références des disques desquels sont extraits les titres de *An American Five String History* (Frémeaux et Associés, 2008) et de *Modern Times* (non publié). Ils constituent la sélection discographique suggérée dans *Banjo Attitudes* et *A Five-String Banjo Sourcebook*. Cette ébauche d'anthologie – qui n'a pas la prétention d'être exhaustive –, pourra avantageusement être complétée. Par ailleurs, le bluegrass est un univers de prédilection pour le banjo à cinq cordes. Il mériterait d'être développé. Notre propos a un objectif didactique et s'intéresse en priorité aux sources. Nous espérons avoir orienté le lecteur vers des éléments lui permettant de satisfaire sa curiosité et de poursuivre des recherches personnelles, dont internet nous ouvre largement l'accès.

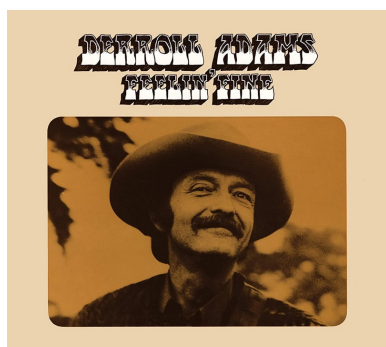

De nombreux labels nous proposent des productions récentes, ainsi que des rééditions. Si les grandes firmes de disques sont présentes sur le marché – comme c'était d'ailleurs déjà le cas lors de la période d'avant-guerre avec Columbia, Paramount, Brunswick, Victor Records, RCA... –, on remarquera qu'à partir du *folk revival*, l'offre proviendrait majoritairement de maisons spécialisées, plus discrètes : Folkways (Smithsonian), Elektra, Yazoo, Vanguard, County, Kicking Mule, Flying Fish, Rounder, June Appal... Ces labels – diffusés dans les cercles plus restreints d'amateurs –, viennent parfois compléter les éditions patrimoniales de la *Library of Congress*. Nous noterons aussi celles de quelques universités, ainsi que les collections remarquables publiés par June Appal... ou le Field Recorder Collective, une initiative sans but lucratif créée plus récemment par *Ray Alden*.

Modern Times: 1957–2008

<https://www.desmaele5str.be/modernTimes.html>

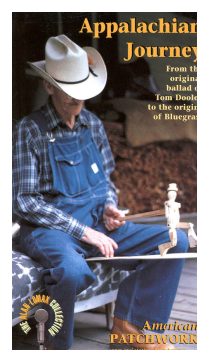

La vocation initiale du banjo à cinq cordes n'est pas académique. Au 19^e siècle, les premières publications du style minstrel et classique, faisaient bien entendu appel à la notation musicale. Cependant, les styles traditionnels qui ont commencé à se développer après la guerre de sécession, ne l'ont pas adoptée. Lors de la renaissance du banjo, au moment du *folk revival* des années 1950 et suivantes, c'est le *folk style* des régions du Sud des Appalaches qui a appelé les musiciens. Dans les méthodes, la notation a le plus souvent fait appel à la tablature, souvent mieux adaptée aux techniques de jeu traditionnels. La transmission de ces techniques fait aussi appel aux enregistrements, tandis que le recours aux moyens audiovisuels – vidéo, DVD – constitue actuellement un outil didactique de plus en plus répandu.

Gérard De Smaele, octobre 2025

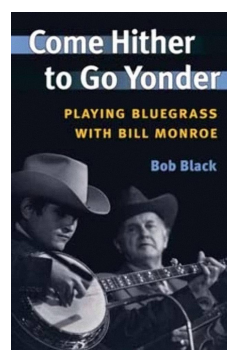

Les interviews sont des sources directes, de première main, et c'est dans les notes d'accompagnement des disques, ainsi que dans les périodiques spécialisés que l'on retrouvera quantités d'informations précises sur les musiciens. De surcroît, il existe bon nombre de biographies et d'autobiographies à propos – ou de la plume – de quelques grands banjoïstes.

D'autres personnalités – telles que Alan Lomax, Charles Seeger, Moses Asch... – gravitent autour d'eux et sont reprises dans *Banjo Attitudes* ainsi que dans *A Five-String Banjo Sourcebook*.

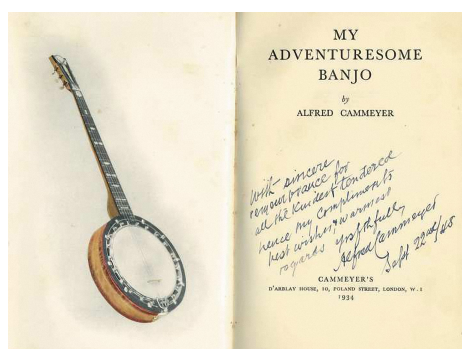

Moe Asch

GOLDSMITH Peter, *Making People's Music: Moe Asch and Folkways Records*.
Washington and London, Smithsonian Institution Press,

Les musiciens

A Very Incomplete list of banjo players

Ces personnalités ont quasiment toutes été présentées au fil des parutions du 'B.M.G. Magazine' (de 1903 aux années 1970) et du 'Banjo Newsletter' (de 1973 à 2022).

Les collectages conservés à la Library of Congress sont répertoriés sur ce site officiel :

<https://web.archive.org/web/20180724031237/www.loc.gov/folklife/guides/Banjo.html>

Musiciens du cru ou revivalistes, traditionalistes ou modernistes, ils colportent des mythes, des légendes, des histoires de vie. Depuis le milieu du 19^e siècle, aux États-Unis comme ailleurs en Angleterre..., les banjoïstes sont légion. Des origines à nos jours, des modes se sont succédées, donnant lieu à divers styles : des plus primitifs aux plus élaborés, du « *back porch* » au « *symphony orchestra* », en passant par toutes les déclinaisons de la *folk music*. Si l'instrument demeure fort pratiqué, l'amateur sérieux ne pourra se passer d'en connaître les figures les plus représentatives, et s'inquiétera de leur lieu et date de naissance. Les artistes contemporains n'ont de cesse de s'en référer à leurs prédécesseurs. Il restera toujours important de connaître les sources.

Depuis la mise au point des premiers procédés modernes d'enregistrement, certains modèles – Earl Scruggs en est le parfait exemple – ont pris une ampleur internationale. Leurs styles ont été imités, et ils ont produit des émules. En réalité, il en fut toujours de même, comme pour Joel Walker Sweeney et autres grands noms des premiers temps. N'oublions cependant pas que le banjo est avant tout un instrument de musique traditionnelle. Dans ce gotha, le rôle de personnalités locales – mises en avant lors du *folk revival* – s'avère tout aussi primordial, autant sous l'aspect technique que pour la transmission du répertoire. Outre l'intérêt ethnomusicologique, la mise en avant de « petits maîtres » participe à la défense d'une autre musique. La connaissance des sources, même les plus obscures, permet de saisir du sens et de prendre ses distances face aux diktats des circuits médiatisés.

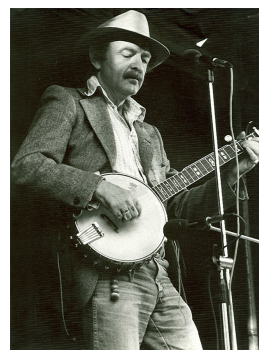

La tâche est particulièrement délicate et un oubli pourrait froisser des susceptibilités. En plus de son aspect subjectif, une liste complète et exhaustive d'interprètes serait fastidieuse à établir.

On retrouvera un grand nombre d'autres artistes cités dans *Banjo Attitudes* et *A Five-String Banjo Sourcebook*.

Tout en restant conscient de l'impossibilité de rendre justice à tous, nous nous sommes essentiellement limités aux noms mis en valeur dans l'ébauche d'anthologie présentée dans le chapitre « Sélection d'enregistrements ».

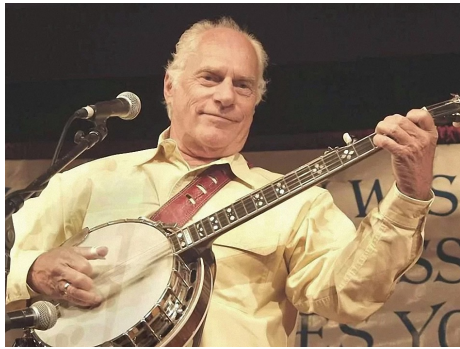

Évitons le culte de la personnalité. Notre liste n'est pas la sentence d'un jugement de valeur. Répétons-le une fois de plus : « *le banjo n'appartient à personne* ».

Musée virtuel du banjo

Contre toute attente, les périodiques spécialisés consacrés au banjo à cinq cordes sont relativement nombreux. En plus des articles, on y trouve aussi une foule de renseignements précieux sur les concerts, l'actualité littéraire ou discographique. De surcroît, des annonces publicitaires en tous genres ciblent le public si particulier des amateurs. Ces revues sont aussi des organes de liaison entre abonnés, et participent de ce fait à l'animation de la vie musicale.

D'autres revues sont répertoriées dans *Banjo Attitudes* et dans *A Five-String Banjo Sourcebook* et son supplément (G. De Smaele, L'Harmattan, 2015, 2019).

Les titres généralistes donnent une vision plus large du contexte dans lequel le banjo évolue. Si certaines revues ont connu de longues périodes de parution, d'autres ne furent qu'éphémères. N'empêche qu'un bon nombre d'entre elles sont courantes. On notera aussi que dans la foulée du *'folk revival'*, ce seront bien entendu les revues éditées à partir des années 1960 qui se rapporteront principalement au banjo traditionnel ou au *'bluegrass'*. Quant aux revues plus anciennes, elles émanent du *'BMG Movement'* qui prit naissance à la fin du 19^e siècle.

Les exemplaires marqués d'un astérisque sont en dépôt à la bibliothèque du MiM. Des notices plus détaillées sont disponibles dans *Banjo Attitudes* et *A Five-String Sourcebook* (Paris : L'Harmattan, 2015, 2019).

Voice of Vega

Organe de la maison Vega, dans les années 1920.

Ces revues spécialisées sont destinées à un public d'amateurs et de « pratiquants ». Néanmoins, des communications issues de cercles savants et universitaires ont aussi été publiées dans les périodiques suivants :

American Lutherie, American Music, Appalachian South, Ethnomusicology, John Edward Memorial Foundation Quarterly, Journal of American Folklore, Journal of the Acoustical Society of America, Journal of the Virginia Folklore Society, Los Angeles County Museum Quarterly, Musical Quarterly, New York Folklore Quarterly, Seattle Folklore Society Journal, Southern Exposure, Southern Folklore Quarterly, Tennessee Folklore Society Bulletin, The Tuckahoe Review, Western Folklore, etc.

Le corpus est à la fois étendu et diversifié. Loin de vouloir prétendre tout répertoire, voici la panoplie du banjo joué par nos contemporains.

Depuis l'avènement du *folk revival*, dans le milieu des années 1950, l'intérêt s'est surtout concentré autour de la musique *old time* et du *bluegrass*, dont les recueils et les méthodes s'inspirent pour l'essentiel des techniques de jeu de quelques grands maîtres qui, pour certains d'entre eux, ont prêté leurs noms à différents styles. Par bonheur – et par nécessité – les ouvrages cités ci-dessous sont le plus souvent disponibles. Nous n'ignorons cependant pas l'existence des méthodes audiovisuelles, enregistrées en vidéos et sur DVD (voir filmographie). L'ensemble de cet arsenal didactique est décrit plus en détail dans *Banjo Attitudes* et dans *A Five-String Sourcebook*.

Le retour du *classic style* date aussi des années 1950, mais cette approche est restée un épiphénomène, voué à une diffusion nettement plus confidentielle puisque réservée à un public d'historiens et de spécialistes.

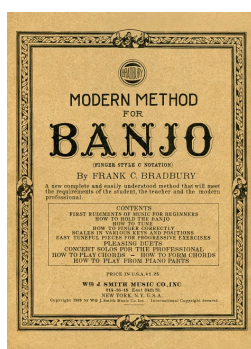

On peut en dire autant du renouveau du *minstrel style*, qui s'est manifesté depuis la fin des années 1980 et pour lequel on est retourné à la fabrication d'instruments spécifiques. Il n'en reste pas moins que ces styles anciens sont à nouveau présents sur les scènes. C'est ce que confirme le relevé des dates de réédition de méthodes originales.

Les styles dits « primitifs » sont associés historiquement au *minstrel style* et n'ont pas encore fait réellement l'objet de publications de méthodes particulières. Aujourd'hui, les Afro-Américains se réapproprient l'instrument de leurs ancêtres et dans la foulée, s'inspirent des sources les plus anciennes...
